THE STATISTICAL SUPPLEMENT

TO

THE FORT ST. GEORGE GAZETTE

No. 18-A] MADRAS, TUESDAY EVENING, MAY 5, 1942

REPORTS OF CROPS.

Statistics—Crop—Gingelly—1941-42—Fourth or Final Report.

The average of the areas under gingelly in the Madras Province during the five years ending 1939-40 has represented 15·8 per cent of the total area under gingelly in India.

2. The area sown with gingelly in 1941-42 is estimated at 683,400 acres. When compared with the area of 752,400 acres estimated for the corresponding period of last year, it reveals a decrease of 9·2 per cent. The present estimate reveals a decrease of 13·1 per cent when compared with the finally recorded area of 786,079 acres in 1940-41. The area in an average year is estimated at 778,740 acres.

3. One hundred and forty-seven thousand and six hundred acres have been reported as sown since the previous forecast was issued in January as against 104,100 acres during the same period last year. These late sowings were mainly on wet lands in Vizagapatam, East Godavari, West Godavari, Cuddapah, South Arcot, Salem, Trichinopoly and the South where gingelly was raised as a second crop after paddy.

4. The estimated area is the same as that of last year in South Kanara. An increase in area is estimated in Vizagapatam, West Godavari, Kistna, Bellary, Trichinopoly, Madura and Malabar and a decrease in area in the other districts of the Province, especially in South Arcot (— 20,500 acres), North Arcot (— 20,500 acres), Salem (— 15,800 acres), and Tinnevelly (— 34,400 acres).

5. The yield is estimated to be normal in Guntur, Coimbatore, Madura and South Kanara and below the normal in the other districts, especially in South Arcot (80 per cent). The condition of the late sown crop is reported to be generally fair except in South Arcot and the South.

The seasonal factor for the province as a whole works out to 92 per cent of the average as against 96 per cent in the Season and Crop Report of last year. On this basis, the total yield works out to 85,900 tons. This represents a decrease of 16·2 per cent when compared with the estimate of 102,540 tons in the Season and Crop Report of last year. The yield in an average year is estimated at 105,320 tons.

6. The wholesale price of gingelly seed per imperial maund of 82-2/7 lb. (equivalent to 3,200 tolas) as reported from important markets on 14th April 1941 was Rs. 7-5-0 in Tinnevelly, Rs. 7-7-0 in Cuddalore, Rs. 6-15-0 in Trichinopoly, Rs 6-12-0 in Salem, Rs 6-11-0 in Tuticorin, Rs 6-1-0 in Rajahmundry and Ellore and Rs. 5-14-0 in Vizianagram. When compared with the prices published in the last report, i.e., those which prevailed on 2nd February 1942, these prices reveal a rise of approximately seven per cent in Cuddalore, six per cent in Salem, and three per cent in Tinnevelly and a fall of approximately two per cent in Ellore, and one per cent in Tuticorin, the prices remaining stationary in Vizianagram, Rajahmundry and Trichinopoly.

7. Figures by districts are given below:—

LEGAL DEPARTMENT.

NOTIFICATION.

The following Statement of the reasons which have moved His Excellency the Governor to enact the Andhra University (Amendment) Act, 1942, in exercise of the powers of the Provincial Legislature assumed by him under the Proclamation issued under section 93 of the Government of India Act, 1935, is published for general information :—

STATEMENT.

Section 12 (2) (*a*) of the Andhra University Act, 1925 (Madras Act II of 1926), provides that when, with regard to any matter in which an officer or authority may take action, the Vice-Chancellor considers immediate action desirable, he may with the sanction of the Chancellor take such action as may be necessary but that he shall, as soon as may be, report the action taken to the officer or authority concerned. In unforeseen circumstances created by the war it is not possible for the Vice-Chancellor to obtain the prior sanction of the Chancellor in all cases before he takes action. It is therefore considered necessary that the Act should be amended so as to empower the Vice-Chancellor to take action in emergencies subject to the control of the Chancellor and to require him to send a report of the action taken by him to the Chancellor. To achieve the object in view, His Excellency the Governor has enacted the Andhra University (Amendment) Act, 1942 The Act has been given retrospective effect from the 6th April 1942 with a view to validating the action already taken by the Vice-Chancellor.

(By order of His Excellency the Governor)

P. APPU NAIR,
Secretary to Government.
